3ABN Australia at NNSW Big Camp

It was a blessing to attend North New South Wales Big Camp this year and have a 3ABN Australia stall for Super Sunday. James and Diane Hope, my husband Daniel (Uncle Daniel from “A Day with the King”) and I were so glad to connect with people in person! It was lovely to chat with many active supporters of 3ABN Australia. Warmest thanks to you all!

As part of our Super Sunday Specials, we launched a printed version of the “More Food for Less Money” cookbook. Many people who have seen our e-version have expressed interest in a hard copy version, to make it easy to use in the kitchen. So we responded and hard copies are now available! You can order copies online or by phone.

Letterboxing 3ABN Material

Please **do not** letterbox 3ABN material in mailboxes with a “No Junk Mail” sticker on them. We have had complaints from people receiving 3ABN tracts in their mailbox labelled “No Junk Mail”. Thank you for your cooperation.

IMPORTANT NOTICE

Watching 3ABN International on Intelsat 19?

Due to technical problems on the Intelsat-19 satellite (IS-19) 3ABN INTERNATIONAL TV and 3ABN RADIO were off air for three days in February 2024. The technical problem is ongoing and has weakened the transmission strength of this satellite.

At 3ABN Australia, we have had to look at an alternative solution for those who are watching 3ABN TV, and rebroadcasting 3ABN Australia Radio, from IS-19.

Unfortunately, we will have to move all 3ABN viewers to the VAST satellite TV services, which will enable you to watch 3ABN International TV, plus other SDA, non-SDA, and non-Christian channels on the VAST service. We will move our 3ABN Australia RADIO broadcast to VAST and will start transmission in the coming months.

Your current service will continue until 14th February 2025, assuming no further technical difficulties arise on IS-19.

If you are accessing 3ABN TV and RADIO via IS-19, please contact us as soon as possible with your Name, Address, and Phone number. Also share this information with others you know who are accessing IS-19 and include this in your Church Bulletin. Thank you.

A Word from the Associate Director

John and I were blessed to represent 3ABN and be speakers for the PNG For Christ evangelistic outreach in April/May. We felt the Holy Spirit led us to ‘step out of our comfort zones’ and help spread the truth, not through TV and Radio, but by preaching the Gospel before the people. We each had a preaching site. I’m fine with teaching a Sabbath School Lesson, or taking a Prayer Meeting, even appearing on TV, but preaching is another thing altogether.

But, to be used by the Holy Spirit to preach the Word of God is an exciting experience. We have the most incredible understanding of Bible truth of any church, and to have the opportunity to teach it to others, then have them respond positively, was amazing. So many people spoke to me who were from other churches, or backslidden SDAs. The truth presented touched their lives and they wanted to join, or come back to, the SDA church.

For one man, my preaching site was a four hour walk from his home. He had his machete with him so he could safely walk home late each night. But he came, heard, and received the truth, and was baptized. What an honour to be able to pass the truth on to others in this way. If you have the opportunity to step out of YOUR comfort zone for God, and preach the Gospel, DO IT! You don’t have to be a preacher (I’m not), a Pastor, or an evangelist. God wants to use anyone who is willing to go for Him. Over 20 years ago, John and I exchanged our comfort zone for God’s will, and we have been working with 3ABN ever since. What a blessing it has been to us, and so many others, including Anthony, who was baptized at Gympie Church on June 8. Praise God!
